OVERVIEW

The information provided below is meant as a guide on the expectations of participants in BVBA sanctioned events. At all times, communication should be respectful. Foul or abusive language, intimidation, aggressive behaviour or lack of respect for others and their property will not be tolerated. This applies to Administrators, Coaches, Officials, Parents, Players and Spectators.

By following these expectations members will get the maximum benefit and enjoyment from their involvement in basketball.

1. Administrators Code of Conduct (*refer BV Codes of Conduct*)

2. Coaches Code of Conduct (*refer BV Codes of Conduct & additional information below*)

Coaches Note: There has been a rule change in regard to communication with referees. A coach may only communicate with a referee during a stoppage (after a whistle is blown) and not during play. This communication is to occur in a courteous and respectful

manner. Expressing a difference or disagreement over a decision is an acceptable behaviour. Doing so in an abusive manner or by showing dissent or rebellion is unacceptable and will not be tolerated.

3. Officials Code of Conduct (refer BV Codes of Conduct)

4. Parent Code of Conduct (refer BV Codes of Conduct & additional information below)

Parents Note: In junior domestic and representative competitions parents will be required to perform scoring duties during the season. When it is your turn to score, ensure you are 100% focused on the job and remember, scorers are impartial observers of the game. Please do not cheer or call out to your child whilst scoring. Here is a link to an article on parenting from the sideline and the effect it may be having on your child and others involved in the game.

5. Players Code of Conduct (refer BV Codes of Conduct)

6. Spectators Code of Conduct (refer BV Codes of Conduct & additional information below)

Spectators Note: It is unacceptable behaviour for spectators, whether they be parents, family members, or guests, to approach and communicate with games officials or opposition team members during or after play to dispute or remonstrate incidents that have occurred during the game. If an incident needs to be reported, please discuss with the team coach who can take the appropriate action.

Any breach of what is considered acceptable conduct will not be tolerated by BVBA.

All complaints will be fully investigated, with recommendations made to the committee on appropriate next steps. Where members have not conducted themselves in accordance with BVBA expectations, sanctions may range from re-education programs, suspension from games and/or official duties and in more serious cases, expulsion from the association.

Complaints and feedback can be provided directly to BVBA by calling the club's Member Protection Information Officer (MPIO), Glenn Rees on 0493 182 187 or by completing the feedback form located on the BVBA website. The form can be accessed via the link below:
